Primary Color Adjustable Height Plastic Folding Tables & Folding Chairs

► **FINALLY!** The leader in quality, quick ship, Institutional-grade Folding Furniture, is proud to introduce a line of matching blow molded Folding Tables & Chairs in two popular primary colors—blue & red. Complimenting our popular speckled grey Folding Tables, these matching pieces allow for complete Furniture setup in Fellowship Halls, Auditoriums, Dining rooms, Cafeterias, or other Institutional venues requiring an attractive set up that is quick & easy.

The exclusive 17 gauge NPS framing system supports more weight than any other Table in its class, & is still Lightweight—37 lbs! Available in popular 6' length & 30" width. Push button, spring loaded mechanisms mounted on a pedestal-style leg, allow for 22"-32" height adjustment. Matching Chairs feature an exclusive under seat brace for superior support. Colors deeply imbedded in plastic—will not fade or scratch. Waterproof plastic resists stains including crayons, paint, & light chemicals. Polyethylene non-marring floor glides standard.

Applications also include Activity Tables for children of all height & ages by using adjustable height option to suit your individual requirements.
